Dear Friend:

CARES Foundation, Inc. will host its annual **Everyone CARES Gala** on March 18th, 2010 at 230 Fifth in Manhattan. This event will celebrate CARES 10th anniversary and recognize the outstanding contributions of Kelly and Adam Leight & Family, Maria I. New, MD and PerkinElmer to the Congenital Adrenal Hyperplasia (CAH) community.

In addition to a welcome reception and dinner, the **Gala** will feature a silent auction throughout the evening. We are asking that you support the event and help improve the lives of individuals affected by CAH by making a donation (valued at \$100 or more) to the silent auction. Please be creative as you consider items that would be attractive to our dinner guests. Your donation will be graciously acknowledged in our tribute journal and silent auction booklet. This would be a wonderful opportunity to promote your business while supporting a very worthy cause. A Wish List is enclosed as a guide, but certainly other items will be gratefully appreciated.

CARES Foundation, a 501(c)(3) not-for-profit organization, is dedicated to improving the lives of those affected by Congenital Adrenal Hyperplasia (CAH) and funding research for a cure. CAH is a family of genetic disorders affecting the adrenal gland. In the severe form, it can lead to shock, cardiac arrest and death in newborns. The non-classical, milder form of CAH can seriously affect quality of life, cause growth and pubertal problems in children, infertility in adults, and other long-term symptoms such as anxiety and depression. For more information on CAH, please visit our website: www.caresfoundation.org.

Please fill out the enclosed donation form and return by **March 6, 2010** via email to: deborah@hurleyjones.com or via fax to: (973) 509-3079. Forms may also be mailed to: Everyone CARES Gala, P.O. Box 376, Montclair, NJ 07042.

Thank you in advance for your generous support. If you should have any questions, please contact Deborah Hurley, event coordinator, at (201) 709-4296, or via the above referenced email.

With warm regards,

Dina M. Matos
Executive Director
