Founding Date: Fall 2001

Executive Director: Suzanne R. Levy (Acting)

Mission: CARES Foundation is a nonprofit organization committed to improving the lives of families and individuals affected by Congenital Adrenal Hyperplasia (CAH) through proactively advancing research for better understanding of CAH, better treatments and a cure; educating the public and healthcare professionals about all forms of CAH; advocating for universal newborn screening; and providing support services and resources vital to the CAH community worldwide.

Programs & Services:

- One-on-one support for affected individuals and their families
- Research grants to qualifying researchers for treatments and a cure
- Educational conferences for individuals, and their families and health care professionals
- Comprehensive newborn screening education and advocacy
- In-depth newsletters
- Physician referral service
- Financial assistance for travel for families with a financial need for specialist care to attend CARES sponsored events
